## Smoke-Free Policy

### Rationale

The Ballarat Eureka Strikers recognises that:

- Environmental (*second-hand*) tobacco smoke is a health hazard and that non-smokers should be protected from it.
- Role modelling can have a significant impact upon the junior members of the club.
- Smoke-free areas make smoking less visible and less socially acceptable.
- Smoke-free areas support smokers who are trying to quit as well as reduce their overall cigarette consumption.
- Outdoor smoke-free areas help to reduce the amount of cigarette butt litter (*reducing clean-up costs, fire risk and children's health risk due to swallowing discarded butts*).
- Smoke-free environments are advantageous in attracting new members as well as positively promoting the club in the community.

New Victorian legislation (*Tobacco Amendment Act 2013*) also bans smoking within 10 metres of a sporting venue that is an outdoor public place during underage (U18) competitions, training or practice sessions or any break or interval during these underage activities.

Accordingly, the following policy shall apply to all members, administrators, officials, coaches, players, spectators, visitors and other volunteers and/or or staff of the club.

### General

- Cigarettes and other tobacco products will not be sold, including from vending machines, at any time at or by the club.
- Coaches, players, officials and volunteers will refrain from smoking while involved in an official capacity for the club, on and off the field.
- No images of club volunteers, members, officials, coaches and players smoking at club-related activities are to be placed on social media.

## Smoke Free Areas

The Ballarat Eureka Strikers requires the following areas of the club's sporting ground to be smoke-free:

- All indoor areas
- All outdoor playing/training areas
- All spectator areas (standing and seated, covered and uncovered)
- All canteen, catering and eating and drinking areas

## Functions

- Club functions, including social and fundraising events and meetings, held at club facilities are to be smoke free.
- Club functions, including social and fundraising events and meetings, held away from club facilities are to be smoke free wherever possible.
- If provided, smokers may only smoke at outdoor designated smoking areas and are to dispose of cigarette butts safely before entering facilities.

## Non-compliance

All club committee members will enforce the smoke free policy and any non-compliance will be handled according to the following process:

- Explanation of the club policy and the Victorian tobacco laws to the person/people concerned, including identification of the areas in which smoking is permitted
- Continued non-compliance with the policy should be handled by at least two committee members who will use their discretion as to the action taken, which may include asking the person/ people to leave the club facilities or function.
